pacplan®

pacplan® AirWave™
pillow system

AirWave™ - the next generation of air pillow void fill systems. Quick, quiet, modular and cost-efficient, delivering powerful, reliable performance.

CE **Bluetooth**®

INNOVATE | OPTIMISE | INTEGRATE

pacplan®

pacplan® AirWave™
pillow system

The AirWave dispenses separate pillows and quilted void fill material cost-effectively and on demand.

It can be seamlessly integrated into Pacplan® Technik™ pack bench systems, where it is capable of supplying void fill for up to four workstations.

Made in Germany, the AirWave features fast and easy single-key programming and operation.

Features & Benefits
> Produces pillows and quilts from the same machine
> Programmable one-key technology
> Ergonomic design
> Powerful performance
> Power saving mode
> Lock function
> CE and RoHS approved
> Bluetooth connectivity (optional)

Specifications
> Power supply:	230v 50Hz
> Power consumption:	115W (20W on standby)
> Dimensions:	316 x 413 x 232 mm (W x D x H) (extending base increases width to 466 mm)
> Weight:	5.6 kg
> Output:	8-10 metres/min
> Film thickness:	16-40 mu
> Roll capacity:	200-2000 mtr
> Noise level:	≤ 60 dB
