## Realise the potential

Our 'Added Value' range of integrated paper products enable you to offer your customers more:

**Integrated Gift Tags** - An integrated gift tag is an innovative product that allows you to offer your customers the ability to send a personalised message with dispatches.

**Key features:**

- Easily integrated into your existing set-up.
- Weather proof & lays totally flat to surface.
- Can be securely fastened to the gift box or outer carrier box.
- The message remains completely private during transit.
- Great added value opportunity to offer your customers for minimal additional cost and effort.

**Single Label and Card Style A**

**Label** 65mm deep by 92mm wide

Positioned 10mm from foot and 8mm from left

**Gift Tag** 54mm deep by 74mm wide

Positioned 15mm from foot and 10mm from left

Horizontal Perforation to remove label and tag area

**Reorder Reference: 14987**

**Integrated Cards** - We have two styles of integrated card, with either one or two peel out cards on an A4 sheet. They have a Laser laminate to the face of the card and a clear release laminate to reverse.

**Ideal for:**

- Loyalty card schemes
- Membership cards
- Exhibition or event entry cards
- Conferences
- Marketing material with an integrated contact business card.

**Single Integrated Card**

**Card** 54mm deep by 86mm wide

Positioned 18mm from foot and 15mm from right

**Reorder Reference: 15232**

**Double Integrated Card**

**Cards** 54mm deep by 86mm wide

Positioned 18mm from foot, 15mm from left and right  
18mm gap between cards

**Reorder Reference: 15233**

**Integrated Bullet Labels** - Our integrated bullet label products can save a lot of time with dispatches. Firstly you need permission from your Royal Mail account manager to deal with Special or Recorded delivery consignments in this manner. Once arranged you print the two barcode labels needed for either Special or Recorded delivery into the outbound despatch label, cutting out considerable additional effort with such despatches.

**Ideal for:**

- High Value dispatches
- Items of high importance
- Items requiring the signature from the stated receiver (for example private items).

**Double Label with Integrated Bullet Labels Style A**

**Label 1** 90mm deep by 125mm wide with 2 integrated recorded delivery bullet labels for Royal Mail barcodes.

**Label 2** 90mm deep by 65mm wide

Positioned 10mm from foot, left and right edges
